### Proposed change to the Chicago Area Chapter ByLaws.

At our March meeting the following motion to change to the Bylaws was made, seconded and passed. At the April meeting at Schaumburg it was amended to delete **a minimum of 8 each year** and rewritten as **a minimum of 6 each year** and passed. Having provided adequate notice, it will be voted upon by the Chapter members present at the meeting May 7th at DuPage.

Final language reads as follows:

Regular monthly business meetings - **a minimum of 6 each year**- will be held at any time and any place including via teleconference proposed by the Chapter Chair and announced in advance to the members in the monthly newsletter.

All other activities, aviation, educational as well as social shall be held without business being conducted.

## FLYING and FRIENDS

JILL FELDMAN, CHAIRMAN

To all my fellow Aviatrix!

You should have received two emails from me recently:

1. The ballot that Ellen O'Hara, Cynthia Madsen and Karen Ballard are presenting for the slate of officers.
2. The Membership dues (donation) which are due June 1.

If you open the pdfs attached to emails, you will find descriptions of each of the elected positions on page 2 of the ballot and the current calendar of event on page 2 of the membership dues. We are working on making this chapter more fun and less work. The updated bylaws will allow all business to take place outside of Chapter events, so we hope to get of us out flying.

All of you new members -

Don't just join for the scholarship opportunities, though the money is there for active members. Join for the opportunity to meet other like-minded women - many who have really been the glass ceiling breakers! Don't understand something in your training - just ask! Want to get a ride to another airport - just ask! Want people to join you at your home airport - plan a fly in! Don't forget to send in your Student Pilot hours each month to Madeleine for the Air News so that we can cheer you on!

For all those women that have been a 99 for years - What can we do to get you excited about aviation again? Do you want to help a young pilot train for her instrument certification? Quiz her knowledge. If you have a plane, be her safety pilot. Fly someplace fun - tell us about it. Maybe we can fly there together. Have too much time but not flying any more - plan an event, participate in an aviation education event, or just talk to or answer emails from new and potential members.

I'm looking forward to our upcoming Girl Scout Aviation Day on May 11th. I will be sending an email to everyone who has said they could volunteer. Because of the rules at Exelon, you can't just show up. If you haven't told me that you are interested in volunteering, or you don't get an email from me, you may get turned away by Exelon security. The list of volunteer's names I have is shown below.

Blue skies (and gentle breezes for all of us student pilots)

*Jill*
